### **FIRST PRIZE**

### **GPS AUTO NAVIGATION SYSTEM**

Model to be determined to ensure the latest and greatest.

Have you ever settled behind the wheel of your car wondering whether you really know how to get to your destination? Fear no more. GPS (Global Positioning System) car navigation systems can show and even tell you how to get to any destination.

### **SECOND PRIZE**

### **DEAN MARTIN VARIETY SHOW ENTIRE DVD SET (Value \$700) (Donated by Gerry Stasko)**

The Dean Martin Show was one of the last television variety shows and one of the best. That format is gone now, performing nowadays just doesn't lend itself to that kind of format and that's a pity. The only time you really see it is on those telethons that Jerry Lewis, Dean's erstwhile partner is the master of. Lewis had a variety show also, but it never got the popularity of Dino's.

The best talent in the world appeared on that show. Where else could you have a variety show that would first feature Orson Welles doing a speech from Falstaff and then a trio number with Dean Martin and James Stewart? Those are priceless moments.

### **THIRD PRIZE**

### **\$100 Gift Card to The Grill at the Fairmont, San Jose.**

Reminiscent of the dinner clubs of the 1940s, the warm and inviting ambience takes diners back to Rat Pack days. Hardwood floors, white table clothes, leather booths and white-jacketed waiters create a truly unique dining experience. The knowledgeable, friendly staff will guide you through the 500-plus wine offerings and extensive menu featuring Kobe Beef, USDA Prime Steaks, Fresh Seafood and American classics like Braised Short Ribs and Chicken Pot Pie.

**Check back frequently for additional prizes and announcement of winners.**
